International Journal of Food and Fermentation Technology

Vol. 7, No. 2, December 2017

REVIEW PAPER

- Anthocyanins: Chemistry, Extraction, Stability, Significance and Application as a Biocolour 201
V.K. Joshi and M. Preema

RESEARCH PAPER

- Effects of Treatments on Keeping Quality of Chickpea (*Cicer arietinum* L.) Sprouts 223
Simran Arora, Saleem Siddiqui and Rakesh Gehlot
- Storage Studies of *Aloe vera* Juice Incorporated *Peda* 231
Keerthi Srikanth, S. Kartikeyan and Adarsh M.Kalla
- Microorganisms in Cut Cucumber and their Public Health Significance 241
Souvik Roy, Lopamudra Roy and Arun Kumar Guha
- Study the Effect of different Packaging Material on Lactic Acid Bacteria in Indian Fermented Foods 247
Joshita Lamba, Sangeeta Goomer and Lata Nain
- Isolation, Morphological & Molecular Characterization of *Aspergillus Species* producing α -L-Rhamnosidase from Agro-Industrial Waste 253
Poonam Yadav, Anil Kumar Chauhan, Satyendra Pratap Singh and Rakesh Kumar Rai
- Assessment of Physicochemical, Microbiological and Sensory Attributes of Probiotic Papaya Curd Prepared by inoculating *Lactobacillus brevis* UN and *Lactobacillus spicheri* G2 263
Neha Gautam and Nivedita Sharma
- Production of Sugarcane Blended Apple Vinegar under Batch and Semi-continuous Fermentation Conditions 271
Shaminderjeet Singh, Sourav Kumar and Gurvinder Singh Kocher

<i>Rosa damascena</i> : Quality Evaluation and Process Optimization for the Development of Rose Syrup	279
<i>Ashwani Kumar, Amarjeet Kaur, V.K. Joshi and Vikas Kumar</i>	
Processing and Assessment of Quality Characteristics of Corn-peanut Flakes	287
<i>Anisa Anjum Malik, Anju Bhat, Harleen Kour, Naseer Ahmad and Prerna Gupta</i>	
Nutritional and Anti-nutritional Composition of Fermented Food Products Developed by Using Dehydrated Curry Leaves (<i>Murraya koenigii</i>)	295
<i>Manohar Lal and Navjot Kaur</i>	
<i>In-vitro</i> Screening and Characterisation of Conjugated Linoleic Acid Producing Lactic Acid Bacteria	303
<i>B.H. Joshi, R.M. Dhingani and S.M. Patel</i>	
Studies on Fresh Processing of <i>Moringa oleifera</i> Leaves	309
<i>Dawn C.P. Ambrose, Ravindra Naik and Alice L. Daunty</i>	
Comparative Evaluation of Physico-chemical and Functional Properties of Apple, Carrot and Beetroot Pomace Powders	317
<i>Prashant Sahni and D.M. Shere</i>	
Effect of Decontamination Processing on Profenofos and Cypermethrin Residues in Tomato Fruits	325
<i>Tanuja Banshtu and Surender Kumar Patyal</i>	
RESEARCH NOTE	
Antimicrobial Drug Residues in Infant Foods and Bovine Milk	333
<i>Wani, S.P., Hameed, O.B. and Syed Darakshan Majeed</i>	
Nutritional Composition and Polyphenol Content of Food Products Enriched with Millets and Drumstick Leaves	337
<i>Alka Gupta, Rajni Singh, Ranu Prasad, Jaya Tripathi and Sushila Verma</i>	
Storage Studies of Amla Products	343
<i>K.P. Sivakumar and S. Kanchana</i>
